

DIY JOY Printable Bat Template

diyjoy.com

CUT OUT THIS HALF BAT TO USE AS TEMPLATE.

PLACE ON 8.5 x 11 inch pape, FOLDED IN HALF ON THE LONG SIDE.

You will print this at full size for your template. Card stock or thicker paper is recommended. The length of the bat on your print should be 5.25 inches, which will print nicely and also cut nicely from an 8.5 x 11 piece of construction paper.

Free for individual use, but you may not repost this PDF to any site. We are happy for you to share it by linking to the article you found it in. ,
